

Who Might the Coordinated System of Care (CSoC) be Right For?

A child/youth eligible for CSoC will meet the following criteria:

1. Twenty-one (21) years old or younger
2. Has a DSM 5 diagnosis or is exhibiting behaviors indicating that a diagnosis may exist (Magellan will refer for a comprehensive assessment in order to make an eligibility determination).
3. Meets clinical eligibility for CSoC as determined by the Child, Adolescent Needs and Strengths (CANS) scale which assesses the following areas:
 - a. Behavioral/Emotional Diagnosis or Behaviors, e.g. impulsiveness, anxiety, depression, history of trauma, oppositional behavior, etc.
 - b. Risky Behaviors, e.g. self-harming behaviors, aggression, fire setting, threats of harm to others, etc.
 - c. Difficulty functioning in various settings including family, home, school or community.
 - d. Caregiver need for assistance with supervision, understanding behavioral health needs, linking to appropriate supports and services, their own behavioral health needs, etc.

4. Currently in an out of home placement (OOH), or at imminent risk of OOH placement in these settings:

Psychiatric Hospitals	Foster Care
Psychiatric Residential Treatment Facilities	Therapeutic Foster Care
Therapeutic Group Home	Developmental Disabilities Facilities
Non-medical Group Home	Alternative Schools
Addiction Facilities	Secure Care Facilities
Detention	Homeless (As identified by the Department of Education)

Please Note: When a child is in a residential placement and is preparing to go home with CSoC supports, the referral to CSoC should be made 30 days (up to 90 days) prior to the youth going home.

5. Generally involved with multiple state agencies.
6. Identified family or adult resource that is or will be responsible for the care of the child/youth that is willing to engage in wraparound.
7. Eligible for Medicaid or deemed eligible for Medicaid based on clinical need. (Certain children/youth not typically eligible for Medicaid may be eligible based on clinical need.)

Please Note:

- A child/youth currently receiving Multi-Systemic Therapy (MST) cannot concurrently be enrolled in CSoC.

To determine if a child/youth may be appropriate for the Coordinated System of Care (CSoC) contact the child/youth's Bayou Health Plan or for more information, anyone may contact Magellan at 1-800-424-4489.
