<sup>1</sup>Bayou Health Plan health outcomes data will not be available until summer 2014. Data included in response to Item #12 utilizes performance indicators provided by the Bayou Health Plans as part of their quarterly business reviews with Bayou Health management and DHH executive staff. Data is self reported by the plans and annualized by DHH.

<sup>2</sup>All "Baseline" data represents Medicaid fee-for-service program for State Fiscal Year 2011.
