

**LOUISIANA
BREAST & CERVICAL
HEALTH PROGRAM**

- **Refer women to the LBCHP only when they are inquiring about breast and/or cervical cancer screening information.** Program number: 1-888-599-1073
- **The LBCHP offers only breast and cervical screening services.** Services include clinical breast exams, mammograms, pelvic exams, pap tests, and other diagnostic tests.
- **The LBCHP does not pay for or provide cancer treatment.** The program only provides screening services. **The program does enroll women screened by an LBCHP provider into Fast Track Medicaid, if they qualify.** LBCHP does not pay for treatment.
- **Eligible women are:**
 - Not currently diagnosed with breast or cervical cancer
 - 21-64 years of age for cervical screening, 40-64 years of age for breast screening, or any age if having symptoms
 - At or below 200% of the Federal Poverty Guidelines
 - Un-insured or under-insured (high co-pay or deductible)
