**Re:** Second Report to Proposed Amendments to LAC 48:I.Chapter 49 – Case Management – Licensing Standards

Pursuant to the Louisiana Administrative Procedure Act, the Louisiana Department of Health, Health Standards Section, submits its second report regarding the Case Management – Licensing Standards, LAC 48:I.Chapter 49.

A Notice of Intent on the proposed amendments was published in the April 20, 2025 issue of the *Louisiana Register* (LR 51:599). Written comments were received, however, the proposed rule revisions were not revised per the comments. There was no request for a public hearing received during the notice period. Because there were no requests for a public hearing, one was not held for these proposed amendments. Additionally, no substantive changes were made to the proposed amendments since the report is provided for in R.S. 49:966B-C.

Unless otherwise directed, the Department anticipates adopting the April 20, 2025 Notice of Intent when it is published as a final rule in the July 20, 2025 issue of the *Louisiana Register*.

Please contact Cynthia York, [Cynthia.York@la.gov](mailto:Cynthia.York@la.gov) if you have any questions or require additional information about this matter.
