**ASAM Criteria Updates for Adult Substance Use Services**

The American Society of Addiction Medicine (ASAM) periodically updates the standards of care delineated in the ASAM criteria for the treatment of substance use disorders and co-occurring conditions. Louisiana uses ASAM criteria to establish Medicaid treatment guidelines based on the latest scientific evidence. On October 5, 2023, Hazelden Betty Ford released the digital version of The ASAM Criteria – 4<sup>th</sup> Edition, Volume 1 for adults, which revised certain standards and levels of care for serving the adult population.

~~If~~ The revisions included in this updated edition are will be adopted in 2026, it and will require numerous changes to Louisiana documents, inclusive of the Medicaid State Plan, Behavioral Health Service Providers licensing rule, and the Medicaid Behavioral Health Services Provider Manual. The Office of Behavioral Health is researching changes that would be needed drafting the necessary changes to rules, regulations and policies to align with Volume 1 of The ASAM Criteria – 4<sup>th</sup> Edition for adults and is partnering with the Medicaid managed care organizations (MCO) to plan for operational implementation of the updated criteria ~~if these revisions are adopted.~~

~~Transition to evidence-based practice standards in the ASAM Criteria – 4<sup>th</sup> Edition for Adults for various levels of care is scheduled for 2026, with providers required to be in full compliance with revised rules, regulations and Medicaid policy criteria by July 1, 2026. The updated Medicaid fee schedule reflective of associated rate increases went into effect January 1, 2026. Providers may review Medicaid Informational Bulletin 25-31 and the Specialized Behavioral Health Fee Schedule for more information, dependent on implementation readiness and budget availability. Should LDH pursue implementation, it will require approval from the Centers for Medicare and Medicaid Services (CMS) of the needed State Plan Amendment (SPA), and promulgation of required rules, and revisions to the Behavioral Health Services Provider Manual. If implemented, these revisions will occur during~~

~~calendar year 2024, and the revisions will require operational changes at the MCO and the provider levels. Providers will be kept informed about the status of approvals and revisions as they are finalized via updates to this Informational Bulletin. Pending budget allocation, CMS approval, and the publication of rules and the Medicaid Behavioral Health Services Provider Manual revisions, the anticipated effective date for providers to come into compliance is January 1, 2026.~~

Providers are encouraged ~~to familiarize themselves with the~~ to begin preparations now to comply with revisions included in [Medicaid Behavioral Health Services Provider Manual](#). ~~The ASAM Criteria 4<sup>th</sup> Edition for planning and preparation purposes. Please check with the Medicaid managed care organizations for available ASAM 4<sup>th</sup> Edition training opportunities.~~
