<b>Others Present:</b>	Presenters are listed in the minutes and sign in sheets and others in attendance from DHH, Bureau of Health Services Financing, Pharmacy Benefits Section upon request.

### Call to Order

Marty R. McKay, Chairman, called the meeting to order at 9:16 a.m.

## Parliamentary Business

- A. **Introduction of Members/Roll Call.** Committee members and staff introduce themselves.
- B. **Approval of Minutes.** Mr. McKay asked for a motion to approve the minutes from October 28, 2015. There were no objections to approving the minutes. Mr. McKay asked for a motion to reorder the sequence of the agenda.

## Reports

Ms. Wendt stated that there are three additional reports in the packets provided to members. She reminded everyone that, in November of 2012, pharmacy was carved into managed care with about 50% of recipients. In February of 2015, approximately an additional 35% moved into managed care; therefore, about 85% of recipients are in managed right now. This is the explanation for the numbers on the prior authorization report. The Preferred Drug List (PDL) is also included in the packet. This is the information voted at the October 2015 meeting and went into effect on January 1, 2016. Magellan is the administrator of the PDL and has provided a program overview with information on market shift and the top five classes impacted by PDL operations.

## P&T Bylaws – Proposed Amendment

Ms. Sullivan stated that all members should have received the proposed changes to the P&T bylaws listed on page 4, Section 2. The change would be to eliminate the requirement about Wednesday meetings. Dr. McDonald motioned to strike Section 2, and Mr. Orlando seconded it. Dr. Mader asked if the change was to the day or the specific week. Mr. McKay responded that the decision would be at the discretion of the Chair after polling the members to ensure a better chance for a quorum. Dr. Deyo suggested that advanced notification be provided. A roll call vote was taken with all in favor.

## Ethics Reminder

Ms. Sullivan reminded all that P&T Committee members are deemed state employees and must comply with the Code of Governmental Ethics. She suggested that Committee members go to the Board of Ethics website for a webinar training. If anyone has personal ethical questions or issues, Ms. Sullivan offered her email address, [Kimberly.sullivan@ja.gov](mailto:Kimberly.sullivan@ja.gov). The website also provides prior ethics opinions about the P&T Committee and P&T Committee members.

## New Business

### A. Therapeutic Class Reviews of Spring Drug Classes/Drug Manufacturer Testimony
