

Louisiana Medicaid Diabetic Supplies Preferred Drug List (PDL)/Non-Preferred Drug List (NPDL)

- Effective October 28, 2023, the Louisiana Medicaid Fee for Service (FFS) Pharmacy Program and Managed Care Organizations (MCOs) will reimburse continuous glucose monitors and other diabetic supplies as a pharmacy benefit. This updated policy applies to pharmacy claims submitted to FFS and Prime Therapeutics State Government Solutions LLC (*MCOs – Aetna, AmeriHealth Caritas, Healthy Blue, Humana Healthy Horizons, Louisiana Healthcare Connections, and UnitedHealthcare*).
- Effective with dates of service on or after December 1, 2023, the following list of diabetic supplies will be reimbursed as a pharmacy benefit only. Durable Medical Equipment (DME) claims will deny.
 - Blood Glucose Meters
 - Blood Glucose Meter Control Solution
 - Blood Glucose Meter Test Strips
 - Continuous Glucose Monitors
 - External Insulin Pumps (e.g. Cequr Simplicity™, Omnipod® and V-Go®)
 - Ketone Test Strips
 - Lancets and Lancing Devices
 - Pen Needles
 - Reusable Insulin Pens
 - Syringes
