Date: [date]

Dear [Member Name]:

Your medical records show that you are not using your Medicaid coverage in a way which is best for your health. In order to help you manage your medications, a change will be made to your Lock-In. A Primary Care Provider (PCP) will be added to your Lock-In.

Under this program, you have already selected a pharmacy and must choose: one (1) primary care provider, and if needed, up to three specialists may be added. You will still be able to get all other Medicaid covered services.

Your primary care provider (PCP) can be a provider such as a Medical Doctor or Nurse Practitioner. Your specialist must be a doctor who specializes in a medical field, such as a Cardiologist. You should go to your Lock-In Primary Care Provider (PCP) to receive all of your medical treatment. **If you need to receive services from a specialist, then you should add a specialist provider to your Lock-In enrollment.** You must provide the name(s) and contact information for the PCP, and if needed the specialists you would like as your Lock-In Providers.

We will let you know if the Lock-In Provider(s) you picked is approved. In order to choose your provider(s) by phone, please call 1-(XXX) XXX-XXXX before XX/XX/XXXX between [hours]. If you want to choose your provider(s) by mail, please mail back the enclosed form to: [Health Plan name and address]. We will also notify you by mail of your approved provider(s). If you do not select your provider(s) or do not appeal the Lock-In decision, you will be assigned your provider(s). You may still change your provider(s) after assignment, by contacting the health plan.

This change will **NOT HAPPEN** until XX/XX/XXXX (60 days from the date of this notice) to give you, or anyone you want to represent you, time to talk about this decision with [Health Plan name] OR to request an appeal.

Sincerely,

[Lock-In Contact]

What can I do if I disagree with the [Health Plan's] decision?

If you disagree with the decision, you (or someone you select to help you) may ask for an appeal. If you want to request an appeal, you must do so within 60 days from the date of this notice.

What happens if you ask for an appeal?

- You tell [Health Plan] why you think the decision to limit your Primary Care Provider (PCP) is incorrect.
- If you want someone to help you with the appeal, you must give them written permission.
- Until a decision is made about your appeal, you can keep using your current PCP.
- After the appeal, if you disagree with the appeal decision you can request a State Fair Hearing. If you accept this decision and do not file an appeal, you cannot later request a State Fair Hearing.

How do you ask for an appeal?

Give us all of the information listed here:

Your name	
Your address	
Your telephone number	
Your date of birth, Social Security number, or member ID number	
Why you think you should be able to keep using your current PCP	

Send your request to [Health Plan]. You can file an appeal by mail, phone or fax.

Mail: [Health Plan address]

Phone: [Health Plan toll free number]

Fax: [Health Plan toll free fax number]

How long does it take to make a decision about my appeal?

Most decisions are made within 30 days of requesting an appeal.

What if you need a fast decision?

If your condition is considered urgent, we may be able to make a decision about your appeal within 72 hours of receipt. You may need a fast decision if, by not getting the requested services, one of the following is likely to happen:

1. You will be at risk of serious health problems, or you may die;
2. You will have serious problems with your heart, lungs, or other body parts; or
3. You will need to go into a hospital.

Your doctor must agree that you have an urgent need.
