# Overview of Expectations and Deliverables

- ▶ Purpose of the Council/Act 88 Deliverables
  - The council shall serve in an advisory capacity to the board and **establish an**Interagency Heroin and Opioid Coordination Plan. The plan should include:
    - ◆ Parish-level data on opioid overdoses and the dispensing of overdose-reversal medication
    - ◆ Progress of current initiatives in the state relating to the heroin and opioid epidemic.
    - ◆ Specific impacts to agencies in addressing education, treatment including the use of medication-assisted treatment, prevention, overdose, and recovery.
  - The council shall **coordinate parish-level data on opioid overdoses and usage of overdose-reversal medication** as current and accurate statewide data is critical in educating both those involved in policy development and the citizens of this state.
  - The council shall also coordinate a central online location to disseminate information and resources, including the Interagency Heroin and Opioid Coordination Plan.
