

CMS, OASH-ORHO, and CDC Region 4 invites you to National Immunization Awareness Month Kickoff Meeting

Friday, August 26, 2022
1:00 - 2:45 PM (EST)

This kickoff meeting will celebrate National Immunization Awareness Month and the importance of vaccinations/immunizations that impact school age children. This meeting will support stakeholders in school districts and local/state health departments in identifying and linking resources to address vaccination/immunization challenges. Federal partners will also provide the latest updates and information on vaccinations.
