Re: HCR 2 Quarterly Report – Medicaid Expansion, Directed Payments and Supplemental Payments Made to Hospitals

In response to House Concurrent Resolution 2 (HCR 2) of the 2025 Regular Session, the Louisiana Department of Health (LDH) submits the enclosed report. This report can be viewed on LDH's website at [here](#). The resolution requires LDH to publish every quarter a report containing data directly related to payment for health care services through the implementation of a health coverage expansion of the Louisiana Medical Assistance Program, in addition to directed payments and other supplemental payments made to hospitals. The report includes the following:

- (a) Total Medicaid expansion enrollment monthly from July 2025 through December 2025.
- (b) The average monthly expansion premium paid to managed care organizations providing benefits and services to eligible Medicaid enrollees and the portion of the premium related to hospital payments for the July 1, 2025 rates.
- (c) The aggregate Medicaid expansion claims payment by provider type from July 2025 through December 2025.
- (d) The total amount of inpatient and outpatient Medicaid expansion claims paid to hospitals delineated by the individual hospital for July 2025 through December 2025 separated into two attachments by inpatient and outpatient.
