**Adult Day Health Care Waiver**

The Louisiana Department of Health (LDH), Bureau of Health Services Financing (BHSF) and the Office of Aging and Adult Services (OAAS) currently provide home and community-based services through the Adult Day Health Care (ADHC) Waiver to eligible Medicaid participants.

The Department hereby gives public notice of its intent to submit an application for a waiver amendment to the U.S. Department of Health and Human Services, Centers for Medicare and Medicaid Services (CMS) in order to amend services in the ADHC Waiver. The amendment of this waiver is contingent upon CMS approval.

In compliance with CMS requirements, the Office of Aging and Adult Services is posting the ADHC waiver amendment application (LA.0121.R08.02) for public comment from September 12, 2025 through October 12, 2025. CMS regulations require LDH to actively engage the public and give program participants, advocates, providers, and other community stakeholders the opportunity to provide input regarding changes made to current

waiver applications prior to the submission of final versions to CMS.

The ADHC Waiver amendment application is posted to the OAAS website and may be accessed at the following address:
