

State of Louisiana

Louisiana Department of Health
Office for Citizens with Developmental Disabilities

MEMORANDUM

OCDD-A-23-024
OCDD-SC-23-023

DATE: August 8, 2023

TO: Local Governing Entities
Support Coordination Agencies

FROM: Paul Rhorer, OCDD Waiver Director

SUBJECT: 90L Requirements

Several Support Coordination agencies have asked the Office for Citizens with Developmental Disabilities (OCDD) to clarify 90L requirements. Effective immediately a 90L is required for all participants. In order to ensure compliance with federal regulations, if a family does not have a 90-L support coordinators should assist families with obtaining a 90-L.

The 90L should be completed 180 days or less before the plan of care end date. All initial plans of care will require a 90L for support planning and submission to the Local Governing Entity for review.

If you have any questions please contact Paul Rhorer at Paul.rhorer@la.gov or 225-342-0095.
