Revisions to section P. Evaluation Criteria a & b:

P. Evaluation Criteria

    4. Cost Evaluation:

        a. The proposer with the lowest total cost for all three years shall receive ~~15~~ **10** points for all deliverables. Other proposers shall receive points for cost based upon the following formula:

            CPS = (LPC/PC)* ~~15~~**10**

            CPS = Cost Proposal Score
            LPC = Lowest Proposal Cost of all proposers
            PC = Individual Proposal Cost

        b. Proposer with the lowest total combined hourly rates shall receive ~~10~~**15** points. Other proposers shall receive points for cost based upon the following formula:

            CPS = (LPC/PC)* ~~10~~**15**

            CPS = Cost Proposal Score
            LPC = Lowest Proposal Cost of all proposers
            PC = Individual Proposal Cost

        c. The assignment of the 25 points based on the above formula will be calculated by a member of the DHH Contracts Office staff.

        d. Additionally, a maximum of 5 points may be awarded for the cost criteria based on evaluation of reasonableness of cost based on economies of scale, adequate budget detail, and justification that all cost is consistent with the purpose, objectives, and deliverables of the RFP.

        e. The DHH Deputy Undersecretary may provide information to the Proposal Review Committee in its evaluation of the additional 5 points.
