### Applicable Codes

The following list(s) of procedure and/or diagnosis codes is provided for reference purposes only and may not be all inclusive. Listing of a code in this policy does not imply that the service described by the code is a covered or non-covered health service. Benefit coverage for health services is determined by federal, state, or contractual requirements and applicable laws that may require coverage for a specific service. The inclusion of a code does not imply any right to reimbursement or guarantee claim payment. Other Policies and Guidelines may apply.

## U.S. Food and Drug Administration (FDA)

This section is to be used for informational purposes only. FDA approval alone is not a basis for coverage.

Surgeries of the elbow are procedures ~~Elbow replacement surgery is a procedure~~ and, therefore, not regulated by the FDA. However, devices and instruments used during the surgery may require FDA approval. See the following website for additional information: (product codes JDC and KWI):  
<http://www.accessdata.fda.gov/scripts/cdrh/cfdocs/cfPMN/pmn.cfm>. (Accessed August 15, 2022 ~~January 10, 2020~~)

~~FDA-approved total or partial elbow replacement surgery devices are generally approved for the same indications, including any or all of the following:~~

- ~~• Non-inflammatory degenerative joint disease, such as osteoarthritis~~
- ~~• Rheumatoid arthritis~~
- ~~• Post-traumatic arthritis, tumor or bone loss causing elbow instability~~
- ~~• Complex fracture(s) of elbow components~~
- ~~• Ankylosis~~
- ~~• Revision of failed elbow replacement surgery~~
- ~~• Correction of functional deformity~~

## Instructions for Use

This Medical Policy provides assistance in interpreting UnitedHealthcare standard benefit plans. When deciding coverage, the federal, state or contractual requirements for benefit plan coverage must be referenced as the terms of the federal, state or contractual requirements for benefit plan coverage may differ from the standard benefit plan. In the event of a conflict, the federal, state or contractual requirements for benefit plan coverage govern. Before using this policy, please check the federal, state or contractual requirements for benefit plan coverage. UnitedHealthcare reserves the right to modify its Policies and Guidelines as necessary. This Medical Policy is provided for informational purposes. It does not constitute medical advice.

UnitedHealthcare may also use tools developed by third parties, such as the InterQual® criteria, to assist us in administering health benefits. The UnitedHealthcare Medical Policies are intended to be used in connection with the independent professional medical judgment of a qualified health care provider and do not constitute the practice of medicine or medical advice.
