APPLICABLE CODES

The following list(s) of procedure and/or diagnosis codes is provided for reference purposes only and may not be all inclusive. Listing of a code in this policy does not imply that the service described by the code is a covered or non-covered health service. Benefit coverage for health services is determined by federal, state or contractual requirements and applicable laws that may require coverage for a specific service. The inclusion of a code does not imply any right to reimbursement or guarantee claim payment. Other Policies and Coverage Determination Guidelines may apply.

CPT Code	Description
24360	Arthroplasty, elbow; with membrane (e.g., fascial)
24361	Arthroplasty, elbow; with distal humeral prosthetic replacement
24362	Arthroplasty, elbow; with implant and fascia lata ligament reconstruction
24363	Arthroplasty, elbow; with distal humerus and proximal ulnar prosthetic replacement (e.g., total elbow)

UnitedHealthcare, Inc. ("UHC") Proprietary and Confidential Information: The information contained in this document is confidential, proprietary and the sole property of UHC. The recipient of this information agrees not to disclose or use it for any purpose other than to facilitate UHC's compliance with applicable State Medicaid contractual requirements. Any other use or disclosure is strictly prohibited and requires the express written consent of UHC.

CPT Code	Description
24370	Revision of total elbow arthroplasty, including allograft when performed; humeral or ulnar component
24371	Revision of total elbow arthroplasty, including allograft when performed; humeral and ulnar component

U.S. FOOD AND DRUG ADMINISTRATION (FDA)

This section is to be used for informational purposes only. FDA approval alone is not a basis for coverage.

Elbow replacement surgery is a procedure and therefore not regulated by the FDA. However, devices and instruments used during the surgery may require FDA approval. See the following website for additional information (product codes JDC and KWI): <http://www.accessdata.fda.gov/scripts/cdrh/cfdocs/cfPMN/pmn.cfm>. (Accessed January 10, 2020)

FDA-approved total or partial elbow replacement surgery devices are generally approved for the same indications, including any or all of the following:

- Non-inflammatory degenerative joint disease, such as osteoarthritis
- Rheumatoid arthritis
- Post-traumatic arthritis, tumor or bone loss causing elbow instability
- Complex fracture(s) of elbow components
- Ankylosis
- Revision of failed elbow replacement surgery
- Correction of functional deformity

CENTERS FOR MEDICARE AND MEDICAID SERVICES (CMS)

Medicare does not have a National Coverage Determination (NCD) for elbow replacement surgery (arthroplasty). Local Coverage Determinations (LCDs) do not exist at this time. (Accessed January 13, 2020)

INSTRUCTIONS FOR USE

This Medical Policy provides assistance in interpreting UnitedHealthcare standard benefit plans. When deciding coverage, the federal, state or contractual requirements for benefit plan coverage must be referenced as the terms of the federal, state or contractual requirements for benefit plan coverage may differ from the standard benefit plan. In the event of a conflict, the federal, state or contractual requirements for benefit plan coverage govern. Before using this policy, please check the federal, state or contractual requirements for benefit plan coverage. UnitedHealthcare reserves the right to modify its Policies and Guidelines as necessary. This Medical Policy is provided for informational purposes. It does not constitute medical advice.

UnitedHealthcare may also use tools developed by third parties, such as the [InterQual® criteria MCG™ Care Guidelines](#), to assist us in administering health benefits. The UnitedHealthcare Medical Policies are intended to be used
