

Notification: HUM-6900

Category

CPT - Evaluation and Management Services

Topic

Outpatient E/M not requiring the presence of a physician or other qualified healthcare professional.

What is changing? / Change Description:

We do not reimburse charges for CPT code 99211 with modifier 25 (if billed by the same provider on the same date as another service).

Modifier 25 is defined as a significant separately identifiable E/M service by the same physician or other qualified healthcare professional on the same day of the procedure or other service.

Language

English

Impacted Products

Medicaid – Louisiana

Why is Humana making this change? / Change Reason:

According to the AMA CPT guidelines for reporting E/M services, the concept of medical decision making is not applicable to CPT code 99211. CPT code 99211 is used for reporting a minimal problem that is addressed by clinical staff under the supervision of the physician or other qualified healthcare professional.
