

## Certain specialty medication precertification requests may require additional documentation

As part of our ongoing quality improvement efforts, Healthy Blue is updating our precertification processes for certain specialty medications. Effective [Go-Live Date], we may request additional documentation for impacted medications to determine medical necessity.

Upon request, providers shall submit documentation from the member's medical record for each policy question flagged for documentation. A denial may result if documentation does not support medical necessity.

Should you have any questions, please refer to the *Clinical Criteria* policy website at [\[https://www.anthem.com/ms/pharmacyinformation/clinicalcriteria/home.html\]](https://www.anthem.com/ms/pharmacyinformation/clinicalcriteria/home.html) for specific medication criteria details.
