

Notification 6417

Implementation Date

10/5/2023

Category

HCPs - Drugs & Biologicals

Topic

Louisiana Medicaid: Nexplanon, etonogestrel (contraceptive) implant system, including implant and supplies

What is changing?

We limit reimbursement of charges for etonogestrel (contraceptive) implant system, including implant and supplies, Nexplanon®, to no more than 1 visit every 3 years unless a drug delivery implant removal has been billed within the previous 3 years.

Language

English

Impacted Products

- Medicaid – Louisiana

Why is Humana making this change?

According to the FDA label and prescribing information, Nexplanon must be removed no later than by the end of the third year.
