

MEDICAID POLICY REVISION

Imminent Peril Justification

October 8, 2024

Policy Revision:

The **Durable Medical Equipment (DME)** chapter of the *Medicaid Services Manual* has been revised added provisions relevant to medical oxygen and oxygen-related equipment during a state declared emergency.

Justification: La. R.S 46:460.53 and 460.54....Any delay has the potential to disrupt and jeopardize the provision of medically necessary services to Louisiana's most vulnerable population.

Effective Date:

October 8, 2024
