
CHAPTER 10: MEDICAL TRANSPORTATION

SECTION 10.4: NEMT - PROVIDER RESPONSIBILITIES **PAGE(S) 3**

PROVIDER RESPONSIBILITIES**Travel and Wait Times**

Transportation providers must perform services in a timely and professional manner. The transportation broker shall ensure that providers meet the following standards:

- Beneficiaries must arrive at least 15 minutes, but no more than two hours, prior to their appointments;
- Beneficiaries shall be picked up no more than two hours after the appointment has concluded; and
- Beneficiaries shall not be in the vehicle for more than one hour beyond the estimated travel time.

Vehicle Operation Requirements, Safety, and Professionalism

Drivers should project responsible, professional and courteous behavior. Drivers must **exercise the utmost safety** in caring for beneficiaries while transporting them and guard against becoming insensitive to their physical and emotional conditions.

Drivers must ensure:

- The equipment and vehicle used are kept clean and serviceable at all times;
- All laws of the State of Louisiana are observed while transporting passengers; and
- The vehicle is safe and in good operating condition.

NOTE: A vehicle must not be driven unless the driver determines that the following parts and accessories are in good working order: vehicle brakes, parking brakes, steering mechanism, lighting devices and reflectors, tires, horn, windshield wipers, and mirrors.

Drivers must:

- Not use or be under the influence of alcohol within four hours before going on duty or while operating, or having physical control of, a vehicle.
- Not be under the influence of an amphetamine or any formulation thereof, a narcotic drug or any derivative thereof, or other substance to a degree which renders the driver incapable of safely operating a vehicle.

SECTION 10.4: NEMT - PROVIDER RESPONSIBILITIES **PAGE(S) 3**

- Ensure that any vehicle they drive with “for hire”, “public”, or “public handicapped” license plates comes to a complete stop at all railroad crossings.
- Utilize the proper procedures required to move beneficiaries into and out of the vehicle equipped to transport non-ambulatory, wheelchair beneficiaries.
- Ensure that all passengers are wearing seatbelts or are otherwise secured. If the passenger uses a wheelchair during transport, the driver must ensure the appropriate use of an occupant restraint system. Lap positioning belts and chest straps are not sufficient safety restraints for wheelchair passengers.
- Ensure that no smoking or vaping occurs in the vehicle as in accordance with current Occupational, Safety and Health Administration (OSHA) regulations.
- Always turn the engine off when fueling a motor vehicle, and never fuel the vehicle where there is smoke or an open flame.
- Ensure that vehicles are not towed or pushed with passengers on board.

Drivers shall ensure the proper installation and usage of the child passenger restraint systems in compliance with La. R.S. 32:295. Non-compliance with these laws may result in immediate suspension of the driver and/or provider.

Emergency Action Procedure

If an emergency arises while transporting a beneficiary, the driver must immediately assess the situation and determine whether to:

- Stop the vehicle and assist with the emergency;
- Proceed immediately to the nearest medical facility; or
- Call 911 for emergency medical assistance.

If the beneficiary is taken to an emergency medical facility, the driver must immediately notify LDH, the transportation broker, and a member of the beneficiary’s family. When driving to the emergency medical facility, the driver should remain calm and alert and drive as quickly as conditions permit for safe vehicle operation.

Incident Reporting Requirements

Drivers who are involved in an incident shall notify emergency services immediately and in accordance with La. R.S. 32:398.
