Ms. Ruth Kennedy, Director Bureau of Health Services Financing Department of Health and Hospitals Post Office Box 91030 Baton Rouge, Louisiana 70821-9030

RE: Louisiana 13-20

Dear Ms. Kennedy:

We have reviewed the proposed amendment to Attachment 4.19-A of your Medicaid State plan submitted under transmittal number (TN) 13-20. The purpose of this amendment is to provide a base payment of 95% of allowable Medicaid costs to a private acute care hospital for inpatient hospital services. Our Lady of the Lake located in Baton Rouge is the only hospital that meets the criteria.

We conducted our review of your submittal according to the statutory requirements at sections 1902(a)(2), 1902(a)(13), 1902(a)(30), 1903(a), and 1923 of the Social Security Act and the implementing Federal regulations at 42 CFR 447 Subpart C. As part of the review process the State was asked to provide information regarding funding of the State share of expenditures under Attachment 4.19-A.

Based upon your assurances, Medicaid State plan amendment 13-20 is approved effective April 15, 2013. We are enclosing the HCFA-179 and the new plan page.

If you have any questions, please call Tamara Sampson at (214) 767-6431.

Sincerery,

¢indy Mann

Director

### 13. Qualifying Loss Review Process

Any hospital seeking an adjustment to the operations, movable, fixed capital, or education component of its rate shall submit a written request for administrative review within 30 days after receipt of the letter notifying the hospital of its rate. Rate notification date is considered to be five days from the date of the letter or the postmark date, whichever is later.

The time period for requesting an administrative review may be extended upon written agreement between the Department and the hospital.

The Department will acknowledge receipt of the written request within 30 days after actual receipt. Additional documentation may be requested from the hospital as may be necessary to render a decision. A written decision will be rendered within 90 days after receipt of all additional documentation or information requested.

#### a. Definitions

"Qualifying loss" in this context refers to that amount by which the hospital's operating costs, movable equipment costs, fixed capital costs, or education costs (excluding disproportionate share payment adjustments) exceeds the Medicaid reimbursement for each component.

"Costs" when used in the context of operating costs, movable equipment costs, fixed capital costs, and education costs, means a hospital's costs incurred in providing covered inpatient services to Medicaid and indigent clients as allowed by the *Medicare Provider Reimbursement Manual*.

"Uninsured Patient" in this context is defined as a patient that is not eligible for Medicare and Medicaid and does not have insurance.

"Uninsured Care Costs" in this context means uninsured care charges multiplied by the cost to charge ratios by revenue code per the last filed cost report, net of payments received from uninsured patients.

#### b. Permissible Basis

Consideration for qualifying loss review is available only if one of the following conditions exists:
