Notification 6566

Category

HCPCS - Drugs & Biologicals

Topic

COVID-19 immunization administration

What is changing?

We have the following limitations for reimbursement of COVID-19 immunization administration:

- No more than one vaccine administration per day
- Diagnosis of SARS-CoV-2 is not covered

Language

English

Impacted Products

Medicaid – Louisiana

Why is Humana making this change?

According to CDC recommendations, a patient should not receive more than 1 COVID-19 vaccine per day and the patient should wait to be vaccinated until after they complete an isolation period.
