Hudson and Veterans Initiative Response Template Aetna Better Health of Louisiana

[illegible][illegible]

The image displays a complex geometric pattern, likely a fractal or a highly detailed tessellation. It features a grid of squares, with some squares containing smaller squares or rectangles, creating a nested, fractal-like structure. The pattern is composed of black, white, and gray squares, arranged in a way that suggests a recursive or self-similar design. The overall effect is one of intricate detail and mathematical precision.
