

## **DECLARATION OF EMERGENCY**

**Department of Health  
Bureau of Health Services Financing  
and  
Office of Behavioral Health**

**Children's Behavioral Health Services  
Termination of Psychosocial Rehabilitation Services for Youth  
(LAC 50:XXXIII.2303 and 2703)**

The Department of Health, Bureau of Health Services Financing and the Office of Behavioral Health amend LAC 50:XXXIII.2303 and §2703 in the Medical Assistance Program as authorized by R.S. 36:254 and pursuant to Title XIX of the Social Security Act. This Emergency Rule is promulgated in accordance with the provisions of the Administrative Procedure Act, R.S. 49:953 (B)(1) et seq., and shall be in effect for the maximum period allowed under the Act or until adoption of the final Rule, whichever occurs first.

The Department of Health, Bureau of Health Services Financing and the Office of Behavioral Health, through collaborative efforts, provide coverage of behavioral health services for children and youth through a comprehensive system of delivery covered under the Medicaid Program.

As the result of a budgetary shortfall in SFY 2017, the Department now proposes to amend the provisions governing children's behavioral health services in order to terminate coverage and reimbursement of psychosocial rehabilitation services to youth. This action is being taken to avoid a budget deficit in the Medical Assistance Program. It is estimated that

implementation of this Emergency Rule will reduce expenditures in the Medicaid Program by approximately \$5,844,004 for state fiscal year 2016-2017.

Effective April 1, 2017, the Department of Health, Bureau of Health Services Financing and the Office of Behavioral Health amend the provisions governing children's behavioral health services to eliminate coverage and reimbursement for psychosocial rehabilitation services to youth.
