

**§10703. Alternate Payment Methodology**

A. Effective for dates of service on or after October 20, 2007, the Medicaid Program establishes an alternate payment methodology for adjunct services provided by federally qualified health centers (FQHCs) when these professional services are rendered during evening, weekend or holiday hours. This alternate payment methodology is in addition to the prospective payment system methodology established for FQHC services.

1. A payment for adjunct services is not allowed when the encounter is for dental services only.

B. The reimbursement for adjunct services is a flat fee, based on the current procedural terminology (CPT) procedure code, in addition to the reimbursement for the associated office encounter.

C. Reimbursement is limited to services rendered between the hours of 5 p.m. and 8 a.m. Monday through Friday, on weekends and state legal holidays. Documentation relative to this reimbursement must include the time that the services were rendered.

D. Effective for dates of service on or after January 1, 2019, FQHCs shall be reimbursed a separate payment outside of the prospective payment system (PPS) rate for the following services.

1. Long-Acting Reversible Contraceptives (LARCs)

a. Reimbursement for LARCs shall be at the lesser of, the rate on file or the actual acquisition cost for entities participating in the 340B program. Federally qualified health centers eligible for 340B pricing must bill Medicaid at their 340B actual acquisition cost for reimbursement.
