The Department of Health and Hospitals, Bureau of Health Services Financing proposes to amend LAC 50:V.5117 in the Medical Assistance Program as authorized by R.S. 36:254 and pursuant to Title XIX of the Social Security Act. This proposed Rule is promulgated in accordance with the provisions of the Administrative Procedure Act, R.S. 49:950 et seq.

In compliance with federal regulations, the Department of Health and Hospitals, Bureau of Health Services Financing amended the provisions governing outpatient hospital services to remove the visit limits on emergency room services (*Louisiana Register*, Volume 40, Number 11). Title 50

PUBLIC HEALTH-MEDICAL ASSISTANCE

Part V. Hospital Services

Subpart 5. Outpatient Hospital Services

Chapter 51. General Provisions

§5117. Service Limits

A. - A.1. ...

2. clinic services-physician services provided in a clinic in an outpatient hospital setting shall be considered physician services, not outpatient services, and there shall be no limits placed on the number of physician visits payable by the Medicaid program for eligible recipients; and

3. - B. ...

AUTHORITY NOTE: Promulgated in accordance with R.S. 36:254 and Title XIX of the Social Security Act.

HISTORICAL NOTE: Promulgated by the Department of Health and Human Resources, Office of Family Security, LR 9:551 (August 1983), amended by the Department of Health and Hospitals, Bureau of Health Services Financing, LR 40:2261 (November 2014), LR 41:

Implementation of the provisions of this Rule may be contingent upon the approval of the U.S. Department of Health and Human Services, Centers for Medicare and Medicaid Services (CMS), if it is determined that submission to CMS for review and approval is required.

In compliance with Act 1183 of the 1999 Regular Session of the Louisiana Legislature, the impact of this proposed Rule on

the family has been considered. It is anticipated that this proposed Rule will have a positive impact on family functioning, stability and autonomy as described in R.S. 49:972 as it will allow greater access to routine physician services provided in clinics in outpatient hospital settings.

In compliance with Act 854 of the 2012 Regular Session of the Louisiana Legislature, the poverty impact of this proposed Rule has been considered. It is anticipated that this proposed Rule will have a positive impact on child, individual, or family poverty in relation to individual or community asset development as described in R.S. 49:973 by reducing the financial burden on families for physician services rendered that exceed the current allowable visits per calendar year in outpatient hospital clinics.

In compliance with House Concurrent Resolution 170 of the 2014 Regular Session of the Louisiana Legislature, the provider impact of this proposed Rule has been considered. It is anticipated that this proposed Rule will have no impact on the staffing level requirements or qualifications required to provide the same level of service, but may reduce the direct or indirect cost to the provider to provide the same level of service, and may enhance the provider's ability to provide the same level of service since this proposed Rule may increase payments to providers for the same services they already render.

Interested persons may submit written comments to J. Ruth Kennedy, Bureau of Health Services Financing, P.O. Box 91030, Baton Rouge, LA 70821-9030 or by email to MedicaidPolicy@la.gov. Ms. Kennedy is responsible for responding to inquiries regarding this proposed Rule. A public hearing on this proposed Rule is scheduled for Thursday, October 29, 2015 at 9:30 a.m. in Room 118, Bienville Building, 628 North Fourth Street, Baton Rouge, LA. At that time all interested persons will be afforded an opportunity to submit data, views or arguments either orally or in writing. The deadline for receipt of all written comments is 4:30 p.m. on the next business day following the public hearing.
