4. A qualifying hospital's placement into a tier will be determined by the average of its percentage of paid PICU Medicaid days for SFY 2010 dates of service to the total of all qualifying hospitals' paid PICU days for the same time period, and its percentage of PICU patient outlier payments made as of December 31, 2010 for dates of service in SFY 2008 and SFY 2009 and calendar year 2010 to the total PICU outlier payments made to all qualifying hospitals for these same time periods.
