Implementation of the provisions of this Rule may be contingent upon the approval of the U.S. Department of Health and Human Services, Centers for Medicare and Medicaid Services (CMS), if it is determined that submission to CMS for review and approval is required.

In compliance with Act 1183 of the 1999 Regular Session of the Louisiana Legislature, the impact of this proposed Rule on the family has been considered. It is anticipated that this

proposed Rule will have a positive impact on family functioning, stability or autonomy as described in R.S. 49:972 as it will provide services for participants with complex medical and behavioral needs and allow individuals under 21 to access home and community-based NOW services.

In compliance with Act 854 of the 2012 Regular Session of the Louisiana Legislature, the poverty impact of this proposed Rule has been considered. It is anticipated that this proposed Rule will have a positive impact on child, individual, or family poverty in relation to individual or community asset development as described in R.S. 49:973 as it will provide services for participants with complex medical and behavioral needs and allow individuals under 21 to access home and community-based NOW services.

In compliance with House Concurrent Resolution (HCR) 170 of the 2014 Regular Session of the Louisiana Legislature, the provider impact of this proposed Rule has been considered. It is anticipated that this proposed Rule will have no impact on the staffing level requirements or qualifications required to provide the same level of service, but may reduce the total direct and indirect cost to the provider to provide the same level of service, and may enhance the provider's ability to provide the same level of service as described in HCR 170 since

this proposed Rule increases payments to providers for a new service.

Interested persons may submit written comments to Jen Steele, Bureau of Health Services Financing, P.O. Box 91030, Baton Rouge, LA 70821-9030 or by email to MedicaidPolicy@la.gov. Ms. Steele is responsible for responding to inquiries regarding this proposed Rule. A public hearing on this proposed Rule is scheduled for Thursday, November 29, 2018 at 9:30 a.m. in Room 118, Bienville Building, 628 North Fourth Street, Baton Rouge, LA. At that time all interested persons will be afforded an opportunity to submit data, views or arguments either orally or in writing. Medicaid Eligibility
Children's Health Insurance Program Reauthorization Act
Option for Lawfully Resident Children
(LAC 50:III.2329 and 2523)

The Department of Health, Bureau of Health Services Financing proposes to adopt LAC 50:III.2329 and to repromulgate the provisions of the June 20, 1998 Rule governing Medicaid Eligibility for non-citizens in order to adopt this Rule into LAC 50:III.2523, pursuant to Title XIX of the Social Security Act. This proposed Rule is promulgated in accordance with the provisions of the Administrative Procedure Act, R. S. 49:950 et seq.

The Department of Health and Hospitals, Office of the Secretary, Bureau of Health Services Financing promulgated a Rule which adopted provisions to provide regular Medicaid coverage to optional qualified aliens (hereafter referred to as "qualified non-citizens"), who were in the United States prior to August 22, 1996, who meet all eligibility criteria and requiring a five-year waiting period for qualified non-citizens, entering the United States on or after August 22, 1996 (*Louisiana Register*, Volume 24, Number 6).

The Children's Health Insurance Program Reauthorization Act (CHIPRA) of 2009 provides states with the option to eliminate the five-year waiting period and provide coverage under the

Medical Assistance Program to a new eligibility group consisting of children up to age 19 who are lawfully residing in the United States, and for which an enhanced federal medical assistance percentage (FMAP) rate is available.

The Department of Health, Bureau of Health Services Financing hereby amends the provisions governing Medicaid eligibility to adopt the CHIPRA option which will eliminate the five-year waiting period and provide coverage to lawfully residing children. This proposed Rule will also repromulgate the provisions of the June 20, 1998 Rule governing Medicaid eligibility for qualified non-citizens to ensure that these provisions are promulgated in the *Louisiana Administrative Code* in a clear and concise manner.
