

DECLARATION OF EMERGENCY

Department of Health and Hospitals Bureau of Health Services Financing

State Children's Health Insurance Program Coverage of Prenatal Care Services (LAC 50:III.20301 and 20303)

The Department of Health and Hospitals, Bureau of Health Services Financing amends LAC 50:III.20301 and 20303 in the Medical Assistance Program as authorized by R.S. 36:254 and pursuant to Title XXI of the Social Security Act. This Emergency Rule is promulgated in accordance with the Administrative Procedure Act, R.S. 49:953(B)(1) et seq., and shall be in effect for the maximum period allowed under the Act or until adoption of the final Rule, whichever occurs first.

The Department of Health and Hospitals, Office of the Secretary, Bureau of Health Services promulgated a Rule which adopted provisions to expand coverage to children under Title XXI of the Social Security Act by implementing a stand-alone State Children's Health Insurance Program (SCHIP) to provide coverage of prenatal care services to low-income, non-citizen women and to clarify the service limits and prior authorization criteria for SCHIP prenatal care services (*Louisiana Register*, Volume 35, Number 1).

The Department of Health and Hospitals, Bureau of Health Services Financing has now determined it is necessary to amend

the provisions of the January 20, 2009 Rule in order to include Medicaid coverage for unborn children of all citizen and non-citizen pregnant women with income between 138 percent and 214 percent of the Federal Poverty Level (FPL). This action is being taken to increase recipient access to prenatal care services that will promote better health outcomes for babies. It is estimated that the implementation of this Emergency Rule will increase expenditures in the SCHIP Program by approximately \$11,549,566 for fiscal year 2014.

Effective December 31, 2013 the Department of Health and Hospitals, Bureau of Health Services Financing amends the provisions governing the State Children's Health Insurance Program coverage of prenatal care services.
