

DECLARATION OF EMERGENCY

Department of Health Bureau of Health Services Financing

Recovery Audit Contractor Program (LAC 50:I.Chapter 85)

The Department of Health, Bureau of Health Services Financing adopts LAC 50:I.Chapter 85 in the Medical Assistance Program as authorized by R.S. 36:254 and pursuant to Title XIX of the Social Security Act. This Emergency Rule is promulgated in accordance with the provisions of the Administrative Procedure Act, R.S. 49:953(B) (1) et seq., and shall be in effect for the maximum period allowed under the Act or until adoption of the final Rule, whichever occurs first.

The Patient Protection and Affordable Care Act (PPACA), U.S. Public Law 111-148, and 111-152 directed states to establish a Recovery Audit Contractor (RAC) program to audit payments to Medicaid providers. Act 568 of the 2014 Regular Session of the Louisiana Legislature directed the Department of Health and Hospitals to implement a Recovery Audit Contractor program. In compliance with the Patient Protection and Affordable Care Act (PPACA) and Act 568, the department promulgated an Emergency Rule which adopted provisions to establish the RAC program (*Louisiana Register*, Volume 40, Number 11). This Emergency Rule is being promulgated to continue the provisions of the November 20, 2014 Emergency Rule. This action is being taken to avoid federal sanctions.

Effective November 13, 2017, the Department of Health, Bureau of Health Services Financing adopts provisions establishing the Recovery Audit Contractor program.

A. The RAC shall limit records requests to not more than 1 percent of the number of claims filed by the provider for the specific service being reviewed in the previous state fiscal year during a 90 day period. The 1 percent shall be further limited to 200 records. For purposes of this Chapter, each specific service identified for review within the requested time-period will be considered a separate and distinct audit.

B. The provider shall have 45 calendar days to comply with any records request unless an extension is mutually agreed upon. The 45 days shall begin on the date of receipt of any request.

1. *Date of Receipt*-two business days from the date of the request as confirmed by the post office date stamp.

1. The provider shall be given an opportunity to provide written objections to the secretary or his/her designee of any subsequent records request. Decisions by the secretary or his/her designee in this area are final and not subject to further appeal or review.

2. This shall not be an adverse determination subject to the Administrative Procedure Act process.

3. A significant provider error rate shall be defined as 25 percent.

A. The RAC shall utilize provider self-audits only if mutually agreed to by the provider and the RAC.

B. If the provider is determined to be a low-risk provider, the RAC shall schedule any on-site audits with advance notice of not less than 10 business days. The RAC shall make a reasonable good-faith effort to establish a mutually agreed-upon date and time, and shall document such efforts.

If the RAC requires a provider to produce records in any non-electronic format, the RAC shall make reasonable efforts to reimburse the provider for the reasonable cost of medical records reproduction consistent with 42 CFR 476.78.

1. The cost for medical record production shall be at the current federal rate at the time of reimbursement to the provider. This rate may be updated periodically, but in no circumstance shall it exceed the rate applicable under Louisiana statutes for public records requests.

2. Any costs associated with medical record production may be applied by the RAC as a credit against any overpayment or as a reduction against any underpayment. A tender of this amount shall be deemed a reasonable effort.

B. The informal appeals process shall be conducted as follows.

1. Beginning on the date of issuance of any initial findings letter by the RAC, there shall be an informal discussion and consultation period. During this period the provider and RAC may communicate regarding any audit determinations.

2. Within 45 calendar days of receipt of written notification of an adverse determination from the RAC, a provider shall have the right to request an informal hearing relative to such determination. The department's Program Integrity Section shall be involved in this hearing. Any such request shall be in writing and the date of receipt shall be deemed to be two days after the date of the adverse determination letter.

3. The informal hearing shall occur within 30 days of receipt of the provider's request.

4. At the informal hearing the provider shall have the right to present information orally and in writing, the

right to present documents, and the right to have the department and the RAC address any inquiry the provider may make concerning the reason for the adverse determination. A provider may be represented by an attorney or authorized representative, but any such individual must provide written notice of representation along with the request for informal hearing.

5. The RAC and the Program Integrity Section shall issue a final written decision related to the informal hearing within 15 calendar days of the hearing closure.

C. Within 30 days of issuance of an adverse determination of the RAC, if an informal hearing is not requested or there is a determination pursuant to an informal hearing, a provider may request an administrative appeal of the final decision by requesting a hearing before the Division of Administrative Law. A copy of any request for an administrative appeal shall be filed contemporaneously with the Program Integrity Section. The date of issuance of a final decision or determination pursuant to an informal hearing shall be two days from the date of such decision or determination.

D. The department shall report on its website the number of adverse determinations overturned on informal or formal appeals at the end of the month for the previous month.

E. If the department or the Division of Administrative Law hearing officer finds that the RAC determination was unreasonable, frivolous or without merit, then the RAC shall

reimburse the provider for its reasonable costs associated with the appeals process. Reasonable costs include, but are not limited to, cost of reasonable attorney's costs and other reasonable expenses incurred to appeal the RAC's determination. The fact that a decision has been overturned or partially overturned via the appeals process shall not mean the determination was without merit.

2. RAC fails to follow any programmatic or statutory rules.

B. If more than 25 percent of the RAC's adverse determinations are overturned on informal or formal appeal, the department may impose a monetary penalty up to 10 percent of the cost of the claims to be awarded to the providers of the claims

inappropriately determined, or a monetary penalty up to 5 percent of the RAC's total collections to the department.
