

DECLARATION OF EMERGENCY

**Department of Health
Bureau of Health Services Financing**

**Intermediate Care Facilities for Persons with
Intellectual Disabilities—Public Facilities
Reimbursement Rate Increase
(LAC 50:VII.32969)**

The Department of Health, Bureau of Health Services Financing amends LAC 50:VII.32969 in the Medical Assistance Program as authorized by R.S. 36:254 and pursuant to Title XIX of the Social Security Act. This Emergency Rule is promulgated in accordance with the provisions of the Administrative Procedure Act, R.S. 49:953(B)(1) et seq., and shall be in effect for the maximum period allowed under the Act or until adoption of the final Rule, whichever occurs first.

The Department of Health and Hospitals, Bureau of Health Services Financing amended the provisions governing the reimbursement methodology for public intermediate care facilities for persons with developmental disabilities (ICFs/DD), hereafter referred to as intermediate care facilities for persons with intellectual disabilities (ICFs/ID), to establish a transitional Medicaid reimbursement rate for community homes that are being privatized (*Louisiana Register*, Volume 39, Number 2). This Rule also adopted all of the provisions governing reimbursements to state-owned and operated

facilities and quasi-public facilities in a codified format for inclusion in the *Louisiana Administrative Code*.

The department promulgated an Emergency Rule which amended the provisions governing the transitional rates for public facilities in order to redefine the period of transition (*Louisiana Register*, Volume 39, Number 10). The department subsequently promulgated an Emergency Rule to assure compliance with the technical requirements of R.S. 49:953, and to continue the provisions of the October 1, 2013 Emergency Rule governing transitional rates for public facilities (*Louisiana Register*, Volume 40, Number 3). The department promulgated an Emergency Rule which amended the provisions governing the reimbursement methodology for ICFs/ID to increase the add-on amount to the per diem rate for the provider fee (*Louisiana Register*, Volume 40, Number 3).

Due to an increase in the add-on amount to the per diem rate for the provider fee, the department promulgated an Emergency Rule which amended the provisions governing the transitional rates for public facilities in order to increase the Medicaid reimbursement rate (*Louisiana Register*, Volume 40, Number 9). This Emergency Rule is being promulgated to continue the provisions of the October 1, 2014 Emergency Rule. This action is being taken to protect the public health and welfare of Medicaid recipients transitioning from public ICFs/ID by

ensuring continued provider participation in the Medicaid Program.

Effective September 24, 2017, the Department of Health, Bureau of Health Services Financing amends the provisions governing the reimbursement methodology for public intermediate care facilities for persons with intellectual disabilities.
