Implementation date: January 1, 2024

1.4- TC

Tribal Consultation (Section 2107(e)(1)(C)) Describe the consultation process that occurred specifically for the development and submission of this State Plan Amendment, when it occurred and who was involved.

On January 24, 2024, notification of the State’s intent to seek approval from CMS to demonstrate compliance with the Consolidated Appropriations Act (CAA) 2023 that requires states to provide continuous eligibility to children in the Children’s Health Insurance Program (CHIP), was submitted to the Louisiana Tribes.

TN 24-0005 **Approval Date:** _____ **Effective Date:** January 1, 2024

In the event of a state or federally declared disaster or public health emergency, the State may modify the tribal consultation process by shortening the number of days before submission of the SPA and/or conducting consultation after submission of the SPA. The duration of the provisions may not exceed the duration of the state or federal disaster period.

Guidance: States may only require the SSN of the child who is applying for coverage. If SSNs are required and the State covers unborn children, indicate that the unborn children are exempt from providing a SSN. Other standards include, but are not limited to presumptive eligibility and deemed newborns.

- 4.1.9.1 States should specify whether Social Security Numbers (SSN) are required.
Louisiana requires a SSN as a condition of eligibility, with the following exceptions:
- a. **Individuals refusing to obtain a SSN because of well-established religious objections;**
 - b. **Individuals who are not eligible for an SSN; or**
 - c. **Individuals who are issued an SSN only for a valid non-work purpose.**

Provision of non-applicants' SSN is optional.

Unborn children are exempt from providing a SSN.

Guidance: States should describe their continuous eligibility process and populations that can be continuously eligible.

- 4.1.9.2 Continuous eligibility
A child's eligibility may not be terminated during a continuous eligibility period, regardless of any changes in circumstances, unless:
- (1) **The child attains the maximum age specified in 4.1.2 of this section;**
 - (2) **The child or child's representative requests a voluntary termination of eligibility;**
 - (3) **The child ceases to be a resident of the State;**
 - (4) **The agency determines that eligibility was erroneously granted at the most recent determination, redetermination or renewal of eligibility because of agency error or fraud, abuse, or perjury attributed to the child or the child's representative;**
 - (5) **The child dies; or**
 - ~~(6) **The child is enrolled in the LaCHIP Affordable Plan and obtains creditable coverage;**~~
 - ~~(7) **The child's parent/guardian fails to pay a monthly premium, if applicable;**~~
 - ~~(8) **The child's parent/guardian fails to provide verification of citizenship or immigration status**~~

~~after a reasonable opportunity period has been allowed; or~~

~~(9)~~(6) The child becomes eligible for Medicaid.

4.1-PW **Pregnant Women Option** (section 2112)- The State includes eligibility for one or more populations of targeted low-income pregnant women under the plan. Describe the population of pregnant women that the State proposes to cover in this section. Include all eligibility criteria, such as those described in the above categories (for instance, income and resources) that will be applied to this population. Use the same reference number system for those criteria (for example, 4.1.1-P for a geographic restriction). Please remember to update sections 8.1.1-PW, 8.1.2-PW, and 9.10 when electing this option.

Guidance: States have the option to cover groups of “lawfully residing” children and/or pregnant women. States may elect to cover (1) “lawfully residing” children described at section 2107(e)(1)(J) of the Act; (2) “lawfully residing” pregnant women described at section 2107(e)(1)(J) of the Act; or (3) both. A state electing to cover children and/or pregnant women who are considered lawfully residing in the U.S. must offer coverage to all such individuals who meet the definition of lawfully residing, and may not cover a subgroup or only certain groups. In addition, states may not cover these new groups only in CHIP, but must also extend the coverage option to Medicaid. States will need to update their budget to reflect the additional costs for coverage of these children. If a State has been covering these children with State only funds, it is helpful to indicate that so CMS understands the basis for the enrollment estimates and the projected cost of providing coverage. Please remember to update section 9.10 when electing this option.

4.1- LR **Lawfully Residing Option** (Sections 2107(e)(1)(J) and 1903(v)(4)(A); (CHIPRA # 17, SHO # 10-006 issued July 1, 2010) Check if the State is electing the option under section 214 of the Children’s Health Insurance Program Reauthorization Act of 2009 (CHIPRA) regarding lawfully residing to provide coverage to the following otherwise eligible pregnant women and children as specified below who are lawfully residing in the United States including the following:

A child or pregnant woman shall be considered lawfully present if he or she is:

- (1) A qualified alien as defined in section 431 of PRWORA (8 U.S.C. §1641);
- (2) An alien in nonimmigrant status who has not violated the terms of the status under which he or she was admitted or to which he or she has changed after admission;
- (3) An alien who has been paroled into the United States pursuant to section 212(d)(5) of the Immigration and Nationality Act (INA) (8 U.S.C. §1182(d)(5)) for less than 1 year, except for an
