

## **POTPOURRI**

### **Department of Health Health Standards Section**

#### **Nurse Staffing Agencies Licensing Standards (LAC 48:I.Chapter 77)**

In accordance with the provisions of the Administrative Procedure Act, R.S. 49:950 et seq., the Department of Health, Health Standards Section (the department), published a Notice of Intent in the June 20, 2025 edition of the *Louisiana Register* (LR 51:888-894) to amend LAC 48:I.Chapter 77, as authorized by R.S. 36:254. This Notice of Intent proposed to amend the provisions governing the licensing of nurse staffing agencies in order to add and update definitions, adjust social media policy requirements, revise administrator qualifications, and modify initial licensure, renewal of licensure, and change of ownership requirements.

As a result of comments received in response to the proposed Rule, the department determined that additional, non-technical revisions were necessary to the provisions of the June 20, 2025 Notice of Intent. A Potpourri was published in the September 20, 2025 edition of the *Louisiana Register* (LR 51:1530-1532) to amend LAC 48:I.Chapter 77 as authorized by R.S. 36:254. This Potpourri proposed to amend definitions, licensure requirements, and the process for license application and license renewal.

As a result of comments received in response to the proposed Rule, the department determined that additional, non-technical revisions were necessary to the provisions of the June 20, 2025 Notice of Intent and the September 20, 2025 Potpourri.

Taken together, these revisions will closely align the proposed Rule with the department's original intent and the concerns brought forth during the comment period for the Notice

of Intent and the Potpourri as originally published.

The Rule text below has been drafted utilizing plain language principles to ensure clarity and accessibility for all users. It has also been reviewed and tested for compliance with web accessibility standards.
