

This list is culled from a document on the Pennsylvania State University website. The authorities are listed in no particular order and the presence or absence of a facility does not represent or constitute an endorsement or rejection by this agency, any of its sub-offices, or individual employees. If you wish to have your firm's name and contact information either added to or removed from this list, please contact the Food and Drug Unit of the Louisiana Department of Health at 225-342-7533. Last updated 1-23-2025.
