

Implementation Training & Support

The Bureau of Family Health offers trainings and resources to Louisiana providers that can help enhance and expand their clinical services. Our team of experts is available to develop a tailored plan to fulfill your clinic's needs, and can meet in-person or virtually to provide technical assistance. We use a quality improvement framework that helps embed continuous improvement into your practice. We provide trainings on the following topics:

- Developmental screening
- Care coordination
- Youth health transition
- Pediatric and Perinatal Mental Health

These trainings and resources are available at no cost. If you're interested in learning more, please complete the information below and email it to DevScreen@la.gov. We will contact you to provide more information and schedule a training. For more information about each of these topics, visit PartnersForFamilyHealth.org/medical-home.
